Updated July 19, 2023

Contents

Compliance – Hours of Service

Improvements

XRS-23344 – Unable to run reports from Driver Portal
We resolved an issue with drivers getting an error, "At least one driver must be selected", when attempting to run reports from the Driver Portal.

XRS-23374 – Operation Profile data based on UVA error at start of month
We resolved an issue with post processing of Driver ID assignment to UVA segments recorded at the start of the month generating a database error.

Compatibility Requirements

Please refer to our minimum requirements for system components that are used with these solutions:
